

Your name

We're collecting data about the plants and animals that live in the area covered by the New Life on the Old West project and we need your help to submit data.

Your records will be added to a database managed by Cambridgeshire and Peterborough Environmental Records Centre and will be available to third parties. Please read our [privacy policy](#) or [contact us](#) if you have any concerns.

## Species

Common or scientific name. For example Common Toad.

## Location

Site name or nearest town or village

## Location details

State any further location details here, for example T-junction of Great Raveley drain, or your street name.

## Grid reference

Please use at least six figure grid reference with no spaces between numbers and letters. You can find this on [www.gridreferencefinder.com](http://www.gridreferencefinder.com)

## Date

Site name or nearest town or village

## Abundance

If relevant and known please put the number.

## Comments

Any other relevant information. For example, what you saw or heard, how frequently you saw or heard it and any further location details.
