How will you help your local hedgehogs?

Providing food and drink...

Leave a small dish of meaty dog or cat food out each night. Kitten biscuits are good too! Help thirsty hogs with a shallow dish of water - not milk (they are lactose intolerant!)

What is a hedgehog highway?

A CD sized hole (13x13cms) in your fence/gate which allows hedgehogs to come into your garden rather than crossing the roads.

Hedgehogs need YOUR help!
